To the Kind Attention of General Manager of Amman Mall

Due to the issuance of Public Health Law number 47/2008, Chapter 12 (Article 53/A, C), which stipulates the banning of smoking of any kind of tobacco in public places and obliges those persons in charge of public places to post a sign of "No Smoking" in a visible place and take the necessary measures to monitor compliance with this law, and as your mall is one of the non-governmental public places,

Kindly take the necessary measures to apply the aforementioned law and ban smoking in public places under your management as of 1 March 2009, using the mechanism agreed on with you, and inform me of your actions.

Best Regards

Minister of Health
