Greetings,

Subject: Environment Protection Act No. 42 of 2014

On the occasion of the ratification and adoption of the Environment Protection Act No. 42/2014 and its publication in the official gazette on 13 July 2014, we direct your attention to Article 56 of the said Act as it relates to your field of work and your esteemed Authority, asking you to follow up and implement its provisions on environmental obligations.

Article 56

The advertising of cigarettes and all types of tobacco products, derivatives and necessities shall be prohibited in the territory of the State of Kuwait, in addition to prohibiting smoking in enclosed and semi-enclosed public places and public means of transportation.

All parties shall take all the necessary measures to ban smoking in such places in a manner that ensures preventing harm to others.
