

The Great Socialist People's Libyan Arab Jamahiriya

The General People's Committee

Decision No. (26) for 2009 by the General People's Committee Approving Ruling on Fees Imposed on Supply Services

The General People's Committee,

Having reviewed Legislation (1) for (2007), regulating functions of People's Congress and People's Committees and its Executive Bylaw, and

Having reviewed the Commercial Law, and

Legislation (67) for 1972, on the issuance of Customs Law, and

Legislation (27) for 2001, approving a number of rulings on fees for services, and

Legislation (22) for 1989, on Industrial Regulations, and

Decision (03) for (2005) by the General People's Committee, imposing fees for supply services for certain commodities, and

Decision (299) for (2006) by the General People's Committee, ordaining exemption of an industrial project from supply services fees, and

Decision (06) for 2007, by the General People's Committee, ordaining exemption of certain commodities from supply services fees, and

Decision (858) for 2007, by the General People's Committee, ordaining exemption from supply services fees for items received via Darna Seaport, and,

Decision (943) for 2007, by the General People's Committee ordaining exemption of certain commodity from supply services fees, and

Decision (28) for 2008, by the General People's Committee, ordaining exemption of certain commodities from taxes and fees, and

Decision (261) for 2008, by the General People's Committee, reducing consumption tax for a number of commodities and their exemption from supply services fees, and

Decision (402) for 2008 by the General People's Committee, subjecting a number of commodities to production or consumption tax, and exempting other commodities from these fees. The decision also exempted a number of commodities from supply services fees, and

Decision (526) for 2008, by the General People's Committee, exempting National Meteorological Centre from supply services fees, and

Based on letter No. 4383 dated 30/12/1376 P.D. (2008), from the Secretary of General People's Committee for Industry and Minerals, and

Based on what was decided by the General People's Committee in their twenty second meeting for 2008, the following has been decided:

Article (1)

Supply Services fees, imposed by virtue of the above referenced General People's Decision (03) for 2005, is hereby revised to become (10%).

Article (2)

Decisions of the General People's Committee, ordaining exemption from Supply Service fees shall become void. All other decisions ordaining exemption from these fees shall become also void. This shall not affect exemption ordained by enforced laws.

Article (3)

The decision shall take effect on 15/02/1377 P.D. (2009). The concerned agencies shall put this decision into execution.

General People's Committee

Issued on 29/01/1377 P.D. (2009)
