1) to Paragraph 2 of part 2 of Article 5 after the words “tobacco devices,” add the words “nicotine-containing products,”;

2) to Paragraph 2 of Article 9 after the words “tobacco devices,” add the words “or nicotine-containing products,”.

Article 5

In Paragraph 1 of Article 12 of the Federal Law dated November 21, 2011 No. 323-FZ “On the bases of the protection of public health in the Russian Federation” (Legislative Assembly of the Russian Federation, 2011, No. 48, Art. 6724; 2014, No. 43, Art. 5798), replace the words “and tobacco” with the words “of the use of tobacco or the use of nicotine-containing products.”.

Article 6

Supplement Paragraph 7 of part 1 of Article 41 of the Federal Law dated December 29, 2012 No. 273-FZ “On education in the Russian Federation” (Legislative Assembly of the Russian Federation, 2012, No. 53, Art. 7598; 2013, No. 48, Art. 6165; 2016, No. 27, Art. 4219, 4246; 2019, No. 30, Art. 4134) after the word “smoking” with the words “of tobacco, or of the consumption of nicotine-containing products”.

Article 7

Insert into the Federal Law dated February 23, 2013 No.15-FZ “On the protection of public health from the impact of second-hand smoke and the consequences of tobacco consumption” (Legislative Assembly of the Russian Federation, 2013, No. 8, Art. 721; 2014, No. 42, Art. 5615; 2015, No. 1, Art. 83; 2016, No. 1, Art. 76; No. 18, Art. 2491; 2017, No. 1, Art. 12; 2018, No. 31, Art. 4861; 2019, No. 52, Art. 7830) the following amendments:

1) in the title replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or the use of nicotine-containing products”;

2) in Article 1, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or the use of nicotine-containing products”;

3) in Article 2:

a) state part 1 as follows:

“1. For the purposes of the herein Federal Law, the following basic concepts are utilized:

1) hookah - a device which is used to generate an aerosol, steam, or smoke that comes from the smoldering and/or heating of tobacco or products which do not contain the tobacco leaf but in which an aerosol, steam, or smoke passes through a vessel containing liquid.”;

2) tobacco smoking – the use of tobacco products to exhale smoke that arises from their smoldering;

3) nicotine-containing products – products which contain nicotine (including those derived by synthesis) or its derivatives, including nicotine salts, intended for nicotine use and its delivery by means of sucking, chewing, snorting or inhalation, including products with heated tobacco, solutions, liquids or gels with liquid nicotine content in a volume of no less than 0.1 mg/mL, a nicotine-containing liquid, powders, mixtures for sucking, chewing,

snorting, and not intended for use as food (with the exception of medicinal products and medications registered in accordance with the law of the Russian Federation, a food product containing nicotine in its natural form, and tobacco products);

4) nicotine-containing liquid – any liquid containing nicotine in a volume no less than 0.1 mg/mL, as well as a liquid without nicotine content or with its minimal content less than 0.1 mg/mL, intended for use in systems for the heating of a nicotine-containing product, including in electronic nicotine-delivery systems;

5) a nicotine-containing food product – a nicotine-containing product which is intended for use as food and by its designation or with the use of a visual, organoleptic, or analytical method, may be identified as a food product (with the exclusion of a food product containing nicotine in its natural form);

6) second-hand tobacco smoke – tobacco smoke contained in the atmospheric air of a space in which tobacco smoking is being carried out or was carried out earlier, including tobacco smoke exhaled by a person who is carrying out tobacco smoking;

7) consequences of tobacco consumption or of the use of nicotine-containing products – the cause of harm to the life or health of man, harm to his living environment as a result of tobacco consumption or the consumption of nicotine-containing products, the impact of second-hand smoke as a result of the smoking of tobacco or substances emitted in the use of nicotine-

containing products, as well as the related medical, demographic, socioeconomic consequences;

8) tobacco consumption – the smoking of tobacco, sucking, chewing, snorting of tobacco products;

9) the use of nicotine-containing products – the sucking, chewing, snorting of nicotine-containing products or the inhalation of nicotine-containing aerosol or steam resulting from their heating with the use of systems for consumption of nicotine-containing products;

10) sponsorship of tobacco or nicotine-containing products – any type of involvement in any event, undertaking or separate entity, the purpose, result, or probable result of which is the stimulation of the sale of tobacco products or nicotine-containing products or the consumption of tobacco or nicotine-containing products directly or indirectly;

11) tobacco organizations – corporations, regardless of organization or legal form, that engage in the production of moving tobacco products or nicotine-containing products across the customs border of the Eurasian Economic Alliance (hereinafter – Alliance), or across the state border of the Russian Federation with the member states of the Alliance, or organizations recognized as affiliates of these corporations in accordance with the legislation of the Russian Federation, branch and dependent organizations, the amalgamation of such entities, as well as the organizations created by such entities. For the purposes of the herein Federal Law, individual entrepreneurs

engaging in the production of moving tobacco products or nicotine-containing products across the customs border of the Alliance or across the state border of the Russian Federation with the member states of the Alliance are equivalent to tobacco organizations;

12) systems for the use of nicotine-containing products – electronic or other devices which are used to generate a nicotine-containing aerosol or steam, inhaled by the user, including electronic systems of nicotine delivery and systems for heating tobacco (with the exclusion of medicinal products and medications, registered in accordance with the legislation of the Russian Federation).”;

b) supplement part 2 after the words “in the battle against tobacco” with the words “with the technical regulations of the Customs Alliance “Technical regulations for tobacco products” (TR TS 034/2014),”

4) in Article 3:

a) in the title, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

b) in part 1, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

5) in Article 4:

a) in the title, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

b) in the first paragraph, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

c) in Paragraph 1, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

d) in Paragraph 2, replace the words “and tobacco consumption” with the words “, tobacco consumption or of the use of nicotine-containing products”;

e) in Paragraph 3, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

f) in Paragraph 4, replace the words “and tobacco consumption” with the words “, tobacco consumption or of the use of nicotine-containing products”;

g) supplement Paragraph 4¹ with the following content:

“4¹) the multilateral objective instruction of the consequences of tobacco consumption or of the use of nicotine-containing products, including the consequences for the life and health of man, for his living environment, and the related medical, demographic, and socioeconomic consequences;

h) in Paragraph 6, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

i) in Paragraph 8, replace the words “and the reduction of tobacco consumption” with the words “, the impact of substances emitted in the use of nicotine-containing products, the reduction of tobacco consumption or of the use of nicotine-containing products”;

j) in Paragraph 9, replace the words “tobacco consumption and the harmful impact of second-hand smoke” with the words “tobacco consumption or the use of nicotine-containing products, the harmful impact of second-hand tobacco smoke and the harmful impact of substances emitted from the use of nicotine-containing products”;

k) in Paragraph 10, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

l) in Article 5:

a) in the title, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

b) in the first paragraph, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

c) in Paragraph 1, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

d) in Paragraph 2, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

e) in Paragraph 3, replace the words “tobacco consumption, the treatment of tobacco dependency and the consequences of tobacco consumption” with the words “tobacco consumption or of the use of nicotine-containing products”;

f) in Paragraph 4, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

g) in Paragraph 5, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

h) in Paragraph 6, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

i) in Paragraph 7, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

j) in Paragraph 8, replace the words “and the reduction of tobacco consumption” with the words “, of the substances emitted in the use of nicotine-containing products, the reduction of tobacco consumption or of the use of nicotine-containing products”, after the words “tobacco consumption” add the words “or the use of nicotine-containing products”, replace the word “its” with the word “their;

7) in Article 6:

a) in the title, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

b) in the first paragraph, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

c) in Paragraph 1, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

d) in Paragraph 2, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”;

e) in Paragraph 3, replace the words “and the consequences of tobacco consumption” with the words “, the consequences of tobacco consumption or of the use of nicotine-containing products”, the words “tobacco consumption,

the treatment of tobacco dependency and the consequences of tobacco consumption” with the words “tobacco consumption or the use of nicotine-containing products, the treatment of tobacco (nicotine) dependency, of the consequences of tobacco consumption or of the use of nicotine-containing products”;
