

## I. GENERAL PROVISIONS

### MINISTRY OF HEALTH AND SOCIAL POLICY

**8826** *Correction of errors in Royal Decree 639/2010 of 14 May 2010 amending Royal Decree 1079/2002 of 18 October 2002 regulating the maximum nicotine, tar and carbon monoxide yields of cigarettes and the warnings regarding health and other information to appear on unit packets of tobacco products, together with certain measures concerning the ingredients and the descriptions of tobacco products.*

Errors have been noted in Royal Decree 639/2010 of 14 May 2010 amending Royal Decree 1079/2002 of 18 October 2002 regulating the maximum nicotine, tar and carbon monoxide yields of cigarettes and the warnings regarding health and other information to appear on unit packets of tobacco products, together with certain measures concerning the ingredients and the descriptions of tobacco products, as published in the Official Journal No. 128 of 26 May 2010. The appropriate corrections are hereby made:

On page 45938, the following image shall be substituted for picture 10:

Smoke contains benzene, nitrosamines, formaldehyde and hydrogen cyanide.
