DECREE of the Minister of Public Health of 03 May, 2018 no. 1391, determining the adoption of a new set of health warnings pursuant to Article 5(b) of the Decree of the Minister of Public Health of 09 December 2013 no. 4061/13 (S.B. 2013 no. 207).

THE MINISTER OF PUBLIC HEALTH

HEARD:

The Executive Director of Public Health

WHEREAS:

Article 5(b) of the Decree of the Minister of Public Health of 09 December 2013 no. 4061/13, concerning the laying down of detailed rules as regards the packaging and labelling of cigarettes (S.B. 2013 no. 207).

CONSIDERING:

that, in accordance with Article 5(b) of the aforementioned Decree by the Minister of Health (S.B. 2013 no. 207), the new set of health warnings on the packaging of all cigarettes must be laid down by decree of the Minister at the latest six months before the expiry of the validity period;

that, pursuant to Article 5(c) of the aforementioned decree, if the health warnings are not reconfirmed, the validity period shall be extended by a period of 18 months;

that the validity period of the current health warnings expires on 07 December 2018;

that there is a necessity to determine a new set of health warnings;

that this new set of health warnings includes the description of the harmful effects of tobacco consumption on the packaging of all cigarettes, in addition to the English language, also in the Dutch language.

HAS DECREED:

- I. To lay down:
the new set of health warnings on the packaging of all cigarettes, as set out in the Annex to this Decree.
- II. To decree that this decision shall be published in the Official Bulletin of the Republic of Suriname as well as in the Gazette of the Republic of Suriname and shall take effect on 07 December 2018.

Paramaribo, 3 May 2018,

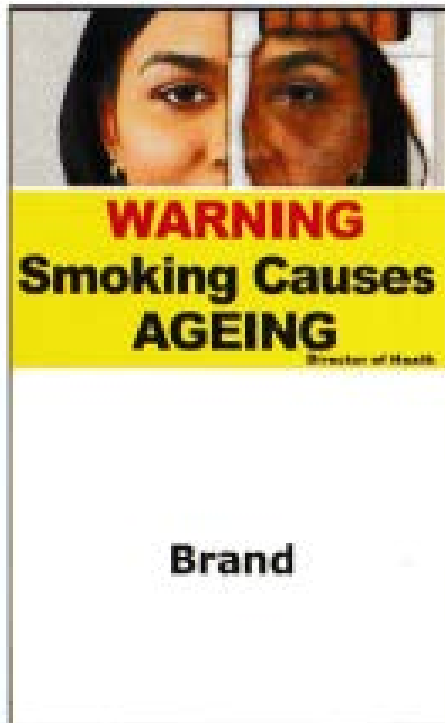

A. ELIAS
